

KENTUCKY CENTRAL LIFE INSURANCE COMPANY, IN LIQUIDATION

Kentucky Central Life Insurance Company (Kentucky Central) was started in 1902 and placed in liquidation in 1994. The information provided below is intended to assist in providing guidance regarding Kentucky Central policies.

While Kentucky Central was in the insurance business, it purchased and sold policies of insurance. During the 1960's, it grew through a series of mergers.

In 1991, Kentucky Central sold 506,514 policies to Liberty Life Insurance Company. Included were older policies acquired from Rio Grande National Life Insurance Company and Skyland Life Insurance Company. These policies generally have 4 or 5 digits for a policy number, i.e. 46822. In the 1970's, the policy numbers were generally lengthened to 9 digits, i.e., the policy number would become 000046822. If you believe your policy fits this description, please contact Liberty Life Insurance Company at 800-551-8354.

In 1995, Kentucky Central sold all of its remaining policies to Jefferson-Pilot Life Insurance Company. There were 304,295 policies transferred. These policies generally started with VPA, VPB, EXB, CSA, PB, AFO, SC, and DVB.

Effective April 2, 2007, Jefferson-Pilot Life Insurance Company merged with The Lincoln National Life Insurance Company. As a result of the merger, The Lincoln National Life Insurance Company is responsible for all of Jefferson-Pilot Life Insurance Company's legal obligations, including policies. If you believe your policy fits the above description, please contact The Lincoln National Life Insurance Company at 800-487-1485.

If you have problems resolving the status of your policy, please call Consumer Protection at 502-564-6034.
